

INSTRUCTIONS FOR COMPLETING FORM 770

VIRGINIA FIDUCIARY INCOME TAX

RETURNS FOR 2002

COMMONWEALTH OF VIRGINIA

DEPARTMENT OF TAXATION

RICHMOND, VIRGINIA

I. WHAT'S NEW

Fixed Date Conformity Modifications. Since 1972, Virginia has conformed to federal income tax law. Whenever federal income tax law has changed, the changes automatically affected Virginia income taxes, unless otherwise exempted. The 2002 Virginia General Assembly enacted a provision that froze Virginia's conformity to federal tax law as it existed on December 31, 2001.

Because of changes in federal law contained in the Victims of Terrorism Relief Act of 2001 and the Job Creation and Worker Assistance Act of 2002, effective for taxable year 2002, some filers must recompute certain components of their federal taxable income so that it conforms to 2001 law, rather than 2002 federal law. Changes which decreased your 2002 federal taxable income must be computed and entered as an addition to federal taxable income on Form 770, Schedule 3, line 3. Changes which increase your federal taxable income must be computed and entered as a subtraction from federal taxable income on Form 770, Schedule 3, line 8. For further information, see the instructions beginning on page 7 or visit our website at www.tax.state.va.us.

II. HOW THE LAW APPLIES

WHO MUST FILE A RETURN

RESIDENT ESTATE OR TRUST: The fiduciary of a resident estate or trust must file a Virginia fiduciary income tax return (Form 770) if the estate or trust is required to file a federal fiduciary income tax return (Form 1041). "Resident estate or trust" means:

- The estate of a decedent who at death was domiciled in Virginia;
- A trust created by the will of a decedent who at death was domiciled in Virginia;
- A trust created by, or consisting of property of, a person domiciled in Virginia; or
- An estate or trust that is being administered by a resident of Virginia or that is under the supervision of a Virginia court.

NONRESIDENT ESTATE OR TRUST: The fiduciary of a nonresident estate or trust must file a Virginia fiduciary income tax return (Form 770) if the estate or trust had income or gain derived from Virginia sources and was required to file a federal fiduciary income tax return (Form 1041). "Income or gain from Virginia sources" means income or gain derived from:

- Real or tangible personal property located in this state;
- A business, trade, profession or occupation carried on in this state; or
- Intangible personal property, including annuities, dividends, interest, royalties and gains to the extent that the income is attributable to a business, trade or occupation carried on in Virginia.

WHO SHOULD FILE A RETURN

An estate or trust that is not otherwise required to file, but which made payments of estimated tax or had income tax withheld during the taxable year, must file a fiduciary income tax return to claim a refund of those amounts.

PERIOD OF RETURN AND ACCOUNTING METHOD

The accounting period and method of accounting for Virginia purposes must be the same as those used for federal purposes. If the taxable year or method of accounting is changed for federal purposes, the change will apply similarly to the Virginia return.

ATTACH A COMPLETE COPY OF THE FEDERAL RETURN

A copy of the federal fiduciary tax return, as filed with the Internal Revenue Service, must be attached to the Virginia return.

SIGNATURE AND VERIFICATION

The return must be signed by the fiduciary or an authorized officer of the organization receiving or having custody or control of the management of the estate or trust. If two or more individuals act jointly as fiduciaries, the return may be signed by any one of those individuals.

PENALTIES AND INTEREST

PENALTIES: A fiduciary who fails to file or files a fraudulent return may be subject to civil and/or criminal penalties and interest charges.

The civil penalty for failing to file a return by the due date is 6% of the tax due for each month or part of a month from the due date through the date the return is filed, up to a maximum of 30%.

The civil penalty for failure to pay the tax due by the required due date is also 6% of the tax due for each month or part of a month from the due date through the date the tax is paid, up to a maximum of 30%. The late payment penalty is not imposed for any month in which the late filing penalty has already been applied. The total combined penalties for late filing and late payment may not exceed 30% of the tax due with the return.

The civil penalty for filing a false or fraudulent return, or failing or refusing to file any return with intent to evade the tax, is an additional penalty of 100% of the correct amount of tax due.

The criminal penalty for willfully failing or refusing to file a return at the time required by law, or for making false statements in a return with intent to defraud the state, is imprisonment for up to a year, or a fine not exceeding \$2,500, or both. The willful completion and filing of a return by an individual who does not believe that the return is true and correct is punishable by fine or imprisonment, or both.

INTEREST: Interest due on any tax and/or penalty will accrue at the daily rate established according to Section 58.1-15 of the Code of Virginia, from the date the tax or unpaid balance became due through the date that payment is made. The daily interest rate is the federal "underpayment rate," plus 2%. The current interest factor is available from the Department of Taxation, 804-367-8031.

ALLOCATION OF INCOME TO BENEFICIARIES

Sections 58.1-361 and 58.1-363 of the Code of Virginia require the allocation of Virginia modifications and Virginia taxable income to beneficiaries, based on their respective share of the distributable net income of the estate or trust. A schedule or other statement of the income and modifications attributable to each beneficiary must be provided to each beneficiary by the fiduciary. A sample format is provided below. An optional format is to include a line for the beneficiary's net Virginia modifications on the copy of the federal Schedule K-1 provided to each beneficiary. If this option is chosen, use this description on the Schedule K-1: "Information for Virginia individual income tax return: Net Virginia modifications: \$_____."

Col. 1	Col. 2	Col. 3	Col. 4
Name and Social Security Number of Each Beneficiary	Share of Federal Distributable Net Income	Percentage of Federal Distributable Net Income	Share of Virginia modifications (Multiply the percentage in Col. 3 by the total modifications from Form 770, Schedule 3, line 12)
Beneficiary A			
Beneficiary B			
Fiduciary			
Total			

It is not acceptable to require the beneficiary to compute his or her own modification from the federal information provided on the federal Schedule K-1.

If the beneficiaries will qualify for the credits available to Form 770 filers, the fiduciary must provide each beneficiary with the information from Schedule 5 necessary to compute and/or claim the credit(s).

RECORD KEEPING

Fiduciaries should retain the records pertaining to each income tax return of the estate or trust for three years from the due date of the return or the date the return was filed, whichever is later. If the Internal Revenue Service extends the time required for retention of federal records, the Virginia records should be kept for the same period of time.

SETOFF DEBT COLLECTION ACT

Before any refund can be issued, Virginia law requires the Department of Taxation to check for outstanding debts of the taxpayer with agencies of the Commonwealth of Virginia, Virginia local governments, the Virginia court system and the Internal Revenue Service. If any debts are found, regardless of the type of tax return filed, all or part of the refund may be withheld to satisfy the debt.

III. FILING INFORMATION

WHERE TO GET FORMS AND ASSISTANCE

Forms and assistance are available at the offices of the Commissioner of the Revenue, Director of Finance or Director of Tax Administration of every Virginia county and city. Addresses and telephone numbers for these offices are at the back of this booklet. **You may order forms from the Department of Taxation at 804-236-2760 or 804-236-2761.** You can obtain most Virginia tax forms at **www.tax.state.va.us**. Since the Virginia return is based on federal information, you should have a complete copy of the federal Form 1041 on hand when you contact any of the above offices. **Address requests for information to Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115 or call 804-367-8031. Do NOT file the return at this address.**

WHERE TO FILE

Form 770 must be filed with the Commissioner of the Revenue, Director of Finance or Director of Tax Administration for the city or county in which the fiduciary qualified. If there has been no qualification in Virginia, the return should be filed with the Virginia city or county in which the fiduciary resides, does business, or has an office, or where one of the beneficiaries resides. The mailing addresses for the local offices are at the back of this booklet.

WHEN TO FILE AND PAY THE TAX

Calendar year filers must file Form 770 no later than May 1. Fiscal year returns are due to be filed by the fifteenth day of the fourth month following the close of the taxable year. If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next succeeding day that is not a Saturday, Sunday or legal holiday. The return must be accompanied by full payment of the tax due as reported on the return. **Make checks payable to Treasurer of the city or county where the return is filed.**

ESTIMATED TAX

TRUSTS: Trusts must make payments of estimated tax if the income tax liability on Form 770 for the taxable year will exceed \$150.

ESTATES: Estates are not required to make estimated tax payments until the first taxable year that ends two or more years after the decedent's date of death. Estimated tax payments must be made for that year and subsequent taxable years if the income tax liability will exceed \$150.

Estimated tax payments are made on Form 760ES, the same payment voucher used by individuals. If Form 760ES is needed, see "Where to Get Forms and Assistance" earlier in this section. If the estimated tax is underpaid, the fiduciary may be subject to an addition to tax.

ADDITION TO TAX FOR UNDERPAYMENT OF ESTIMATED TAX, FORM 760C or FORM 760F

An addition to tax is assessed if the fiduciary did not pay enough estimated tax through timely payments or did not have enough income tax withheld throughout the year. The addition to tax does not apply if each payment is made on time and:

1. the total tax paid (including tax withheld and timely estimated tax paid) was at least 90% (66 2/3% for farmers, fishermen or merchant seamen) of the total 2002 tax liability or 100% of the income tax liability for 2001. To determine the requirement is met, reduce the tax by the amount of all nonrefundable credits;
2. the sum of installment underpayments for the year is \$150 or less; or
3. you qualify for one of the exceptions shown on Form 760C (Form 760F for farmers, fishermen or merchant seamen).

If the estate or trust is subject to the addition to tax for underpayment of estimated tax, complete Form 760C (760F) and pay the amount computed on Form 760C (760F). Computation of the Virginia underpayment of tax is similar to the federal computation. The addition to tax is reported on Form 770 by checking the box under line 10 of Schedule 1 and entering the amount of the addition to tax. For further information, see the instructions for completing Form 760C or Form 760F on page 6 of these instructions.

EXTENSION OF TIME FOR FILING

Virginia law, like federal law, provides for an extension of time of up to six months for filing a fiduciary income tax return, provided that a Virginia tentative tax return is completed and the tax is paid by the original due date for filing. Filing for an extension does not grant you extra time to pay your tax. If the income tax return is not filed by the extended due date, the extension will be invalid and the late filing and/or late payment penalties will be assessed as if the extension had not been filed.

To apply for an extension, file Form 760E, Virginia Tentative Tax Return and Application for Extension of Time to File. Calendar year filers must file Form 760E by May 1. Fiscal year filers must file Form 760E by the fifteenth day of the fourth month following the close of the taxable year. If the due date falls on a Saturday, Sunday or legal holiday, you may file your extension on the next succeeding day that is not a Saturday, Sunday or legal holiday. Payment for the tentative tax, if applicable, **MUST** accompany Form 760E or the extension will be invalid.

It is not necessary to file Form 760E if you are CERTAIN that your tax return will result in a refund because penalty is not assessed on a refund return; however, the Department of Taxation by law may issue a refund only if the return is filed within three years of the original due date or extended due date on the return, whichever is later. It is important to note that if an extension is not approved and your return, when filed, shows a balance due, penalty and interest will be assessed, as applicable.

Extension Penalty and Interest

The tentative tax paid with Form 760E must equal at least 90% of the total income tax liability for the year. If this requirement is not met, a penalty of one-half of one percent per month (or part of a month) will be imposed on the tax due shown on the return, from the original due date of the return to the date of filing or the extension due date, whichever comes first.

If there is a balance due when you file your completed tax return within the extension period, interest will be assessed from the original due date for filing to the date of payment, regardless of whether the 90% tentative tax payment requirement is met. See "Penalties and Interest" in Section II for further information on the computation of interest.

AMENDED RETURNS AND FEDERAL ADJUSTMENTS

If an amended federal income tax return is filed to change the federal taxable income of the fiduciary, or if the Internal Revenue Service adjusts the income, an amended Virginia return must be filed within ninety days. Any taxpayer filing an amended federal return must also file an amended Virginia return and pay any additional tax and interest.

If the changes or adjustments result in a decrease in the fiduciary's income tax liability, Virginia law allows the Department of Taxation to issue a refund only if the amended return is filed within:

1. three years from the due date for filing the original return, including filing extensions;
2. one year from the final determination date for the amended federal return or federal change, whichever is later, and the refund requested is attributable only to such change or adjustment;
3. two years from the filing of an amended Virginia return resulting in payment of additional tax, provided the claim for refund raises issues pertaining solely to the prior amended return and the claim does not exceed the amount of additional tax paid as a result of such prior amended return; or
4. two years from the payment of an assessment, provided the amended return raises issues relating only to the prior assessment and the refund does not exceed the amount of tax paid on the prior assessment.

How and Where to File an Amended Return

To amend Form 770, obtain a blank Form 770 for the same taxable year and write "AMENDED" at the top. Then complete the form using the corrected figures as if it were the original return. Do not make any adjustments to the return to show refunds received or balances paid with the original return.

Attach a complete copy of the amended federal return or federal adjustments, as well as a statement explaining any other changes made to the Virginia return.

You will be contacted if additional information is needed. File the amended return with the Commissioner of the Revenue, Director of Finance or Director of Tax Administration for the city or county where the original return was filed (see "Where to File" for further information). Mailing addresses are at the back of this booklet.

IV. CREDITS

GENERAL INFORMATION: The following rules apply when computing tax credits:

- Where a credit is limited to a percentage of the tax, the "tax" for this purpose shall be gross tax, less the credit for taxes paid to other states.
- Other income tax credits should be claimed in the order in which they provide the maximum benefit, regardless of the order shown on the form.
- Claim only as much credit as can be used to offset tax liability and keep accurate records of the carryover available for each credit.

CREDIT FOR TAX PAID TO ANOTHER STATE RESIDENT FIDUCIARY:

A resident fiduciary is required to report its entire federal taxable income on Form 770, regardless of whether the entire income was derived from sources in Virginia. If the fiduciary is liable for payment of income taxes to another state on earned or business income derived from that state, a credit is generally allowed for taxes paid to the other state, provided the income is taxable both to Virginia and the other state. The credit is computed on Form 770, Schedule 4.

EXCEPTION: A Virginia fiduciary deriving business income as a nonresident in Arizona, California, District of Columbia or Oregon may **not** claim a credit on the Virginia return for taxes paid to those states. The credit must be claimed on the other state's nonresident fiduciary income tax return.

This credit applies only to income taxes paid to other states. Taxes paid to cities, counties, the federal government and foreign governments do not qualify for the credit. The credit is not allowed for franchise tax, license tax, excise tax, unincorporated business tax, occupation tax, or any other tax characterized as such, even though the tax is based on *business* income. In addition, the credit is not allowable for taxes paid to any state that is prohibited by its own legislation from imposing an income or commuter tax.

A complete copy of the income tax return filed with any state(s) for which a credit is claimed must be attached to Form 770. Copies of cancelled checks or other income statements are not sufficient for verification of the income tax liability to the other state.

NONRESIDENT FIDUCIARY: As a general rule, Virginia law does **not** provide a credit to a nonresident fiduciary on business income taxable by both Virginia and the fiduciary's state of residence. Therefore, such credits must usually be claimed on the income tax return filed with the state of residence.

EXCEPTION: If the nonresident fiduciary is liable for income taxes as a resident of Arizona, California, District of Columbia or Oregon on income derived from Virginia sources, credit for tax paid to that state will be allowed on the Virginia return.

A complete copy of the income tax return filed with any state(s) for which a credit is claimed must be attached to Form 770. Copies of cancelled checks or other income statements are not sufficient for verification of the income tax liability to the other state.

NEIGHBORHOOD ASSISTANCE ACT CREDIT

The Virginia Neighborhood Assistance Act provides a credit to businesses that donate money, property, professional services and contracting services directly to **pre-approved** Neighborhood Assistance Program (NAP) organizations whose primary function is to benefit impoverished individuals. Individuals may receive a credit for monetary donations to an eligible organization. The tax credit for an individual making a monetary donation is allowed only if a deduction has not been claimed on the federal income tax return.

Licensed physicians, dentists, nurses (effective July 1, 2002), nurse practitioners, physician assistants, optometrists, dental hygienists and pharmacists who donate their services in a **pre-approved** NAP clinic may also be eligible for credits. Excess donor credit, if applicable, may be carried forward for the next five taxable years. The amount of credit attributable to a partnership or S corporation shall be allocated to the partners and shareholders in proportion to their ownership or interest in the partnership or S corporation. To claim the tax credit, a certificate from the Department of Social Services must be attached to your return. For a list of approved organizations or additional information, contact: **Virginia Department of Social Services, Neighborhood Assistance Program, 730 E. Broad Street, Richmond, VA 23219-1849, 804-692-1895.**

ENTERPRISE ZONE ACT CREDIT

This credit applies to businesses located in an Enterprise Zone. Businesses qualified by the state prior to July 1, 1995, may be eligible to claim a general tax credit against the tax due on taxable income from within the zone. The credit is a percentage of the tax due on taxable income from within the zone. In addition, a credit for a percent of unemployment tax due on zone employees may be claimed. Businesses qualified after July 1, 1995, may take a credit against the tax due on zone taxable income and may be eligible for a Real Property Improvement Tax Credit and an Investment Tax Credit. If you claim a refundable Real Property Improvement Tax Credit on Form 301, enter this amount on line 5(f), Schedule 1, Form 770. For forms to qualify and additional information, contact **Virginia Department of Housing and Community Development, 501 N. Second St., Richmond, VA 23219-1321, 804-371-7030.**

MAJOR BUSINESS FACILITY JOB TAX CREDIT

Individuals, estates, trusts, corporations, banks, insurance companies and telecommunications companies may claim a Virginia tax credit if the taxpayer creates at least 100 new full-time jobs in connection with the establishment or expansion of a major business facility, or if the company is engaged in a qualifying industry in Virginia and creates at least 100 new full-time jobs in Virginia. If a taxpayer is located in an enterprise zone or in an economically distressed area (as defined by the Dept. of Economic Development), the threshold is reduced from 100 to 50 new full-time jobs.

This nonrefundable credit is equal to \$1,000 for each qualifying new job in excess of the 100 job threshold and is spread over three years. The credit only applies to facilities announcing on or after Jan. 1, 1994 the expansion or establishment of such facilities.

This credit must be claimed ratably over three taxable years, beginning with the taxable year following the year in which the facility is established or expanded, or the new qualifying jobs are added.

Qualifying industries include: (1) manufacturing or mining; (2) agriculture, forestry or fishing; and (3) transportation or communications companies. A major business facility includes a headquarters or portion of such a facility located in Virginia, where the majority of the company's financial, personnel, legal, or planning functions are handled either on a regional or a national basis. A major business facility shall also include facilities located in Virginia that perform a central management or administrative function for other establishments of the same enterprise such as general management, accounting, computing, tabulating, data processing, purchasing, transportation or shipping, engineering and systems planning, advertising, legal, financial and research and development.

Any amount unused this year may be carried forward for the next ten taxable years. Credits will be recaptured proportionately if employment decreases during the five years following the initial credit year. If employment goes below the threshold, the entire credit will be recaptured. To claim this credit, complete Major Business Facility Job Tax Credit, Form 304, and transfer the computed amount to line 5(g).

HISTORIC REHABILITATION TAX CREDIT

An individual, estate, trust, corporation, bank, insurance company or utility company incurring eligible expenses in the rehabilitation of a certified historic structure is entitled to claim a credit against the tax imposed by Sections 58.1-320, 58.1-360, 58.1-400, 58.1-1200, 58.1-2500 or 58.1-2620 of the *Code of Virginia*. The credit is equal to 25% of eligible rehabilitation expenses for projects completed in 2000 and thereafter. To qualify, the cost of the rehabilitation must equal at least 50% (25% if the building is an owner occupied residence) of the assessed value of the building for local real estate tax purposes in the year preceding the start of the rehabilitation. Unused credit may be carried forward for ten years. The rehabilitation work must be certified by the Virginia Department of Historic Resources as consistent with the Secretary of the Interior's Standards for Rehabilitation. Certification of buildings and rehabilitations are issued by the Department of Historic Resources and must be attached to the tax return when claiming the credit. Obtain applications for certification from the **Virginia Dept. of Historic Resources, 2801 Kensington Ave., Richmond, VA 23221, 804-367-2323.**

LOW - INCOME HOUSING CREDIT

If you are a Virginia taxpayer and you claimed a low-income housing tax credit on your federal income tax return for housing units placed in service in Virginia on or after January 1, 1998, you may qualify to claim the state low-income housing tax credit. The state credit is a percentage of the federal credit. For additional information, contact the **Department of Housing and Community Development at 804-371-7015.**

COALFIELD EMPLOYMENT ENHANCEMENT TAX CREDIT

For taxable years beginning on or after January 1, 1996, but before January 1, 2008, a tax credit may be earned by individuals, estates, trusts and corporations who have an economic ownership interest in coal mined in Virginia. The credit is based on the quantity of coal or methane gas produced and employment levels. If the number of coal mining jobs for the year the credit is earned is less than the previous year, the maximum earned credit is reduced by an employment factor. The allowable credit must be computed on Form 306, Coalfield Employment Enhancement Tax Credit, and reported on Form 770 for the tax year in which the credit is earned. Form 306 must be attached to the tax return when filed. The allowable credits may be claimed in accordance with a specific redemption schedule. This credit may not be claimed for any ton of coal for which the Coal Cogeneration Credit or the Virginia Coal Employment and Production Incentive Tax Credit is claimed. For forms and additional information, see "WHERE TO GET FORMS AND ASSISTANCE" on page 2 or go to **www.tax.state.va.us.**

CREDIT FOR EMPLOYERS OF DISABLED INDIVIDUALS

Employers who hired an employee with disabilities on or after January 1, 1999, may qualify for this credit if the employee has completed or is completing rehabilitative services provided by the Virginia Department of Rehabilitative Services, the Virginia Department for the Blind and Vision Impaired or the United States Department of Veterans Affairs. Employers who hired an employee with disabilities on or after January 1, 1999, may qualify for a credit of 20% of the first \$6,000 of wages paid annually to each qualified employee during the first two taxable years of such employee's employment. This credit is nonrefundable, but excess credit may be carried forward for the next three taxable years.

Apply for this credit before filing your income tax return by filing **Form DEC**, Certification of Rehabilitative Services for the Virginia Credit for Employers of Individuals with Disabilities, with the agency listed above that provided the rehabilitative services to your employee. Allow 60 days for that agency to certify the rehabilitative services for purposes of claiming this credit. After approval, file Form 307 with Form 770 to compute and claim the credit on your income tax return. Additional information on this credit and details for contacting the three agencies referenced above are in the instructions for **Form DEC** and **Form 307**.

WORKER RETRAINING TAX CREDIT.

This credit allows an employer to claim a tax credit for the training costs of providing eligible worker retraining to qualified employees. "Eligible worker retraining" includes approved noncredit courses provided by any of the Commonwealth's community colleges, a private school or worker retraining programs (credit, noncredit courses) undertaken through an apprenticeship agreement approved by the Virginia Apprenticeship Council. The credit is 30% of all training costs through a community college, or up to \$100 annual credit for each employee if incurred at a private school. Employers must apply for certification of the amount of allowable credit using Form WRC, Worker Retraining Tax Credit, by April 1, 2003, before claiming the credit on their income tax return. The maximum worker retraining credits granted to all employers is limited to \$2,500,000 annually. If total credits approved exceed this amount, each will be prorated. The credit is allowable against individual income tax, fiduciary income tax, corporation income tax and the bank franchise tax. The credit is also allowable against taxes imposed upon insurance companies and utility companies (under Sections 58.1-2500 et. seq. and Section 58.1-2620 et. seq., Code of Virginia). This credit is nonrefundable, but excess credit may be carried forward for the next three taxable years.

For information on pre-approved apprenticeship programs, contact the **Virginia Department of Labor and Industry at 804-786-8009**. For information on noncredit course approval, contact the **Virginia Department of Business Assistance, P. O. Box 446, Richmond, Virginia 23218-0446, telephone 804-371-8200**.

QUALIFIED EQUITY AND SUBORDINATED DEBT INVESTMENTS TAX CREDIT.

This credit is allowable to taxpayers making a qualified investment in the form of equity or subordinated debt in a qualifying business. Businesses may apply for designation as a qualified business using Form QBA. Investments sold prior to application will not qualify for this credit. The qualification is only good for the calendar year of the application. Therefore, the business needs to reapply each year for qualification. To qualify the business must be, 1) domiciled in and primarily engaged in business in Virginia and 2) annual gross receipts for the most recent fiscal year must be less than \$5,000,000.

The credit equals 50% of the qualified business investments made during the taxable year. The total amount of credit that may be used per taxable year may not exceed \$50,000. The credit is nonrefundable. Excess credits may be carried forward up to 15 years. If total annual requests for this credit exceed \$4 million, the Department of Taxation will prorate the allowable credit for each taxpayer.

Equity held in connection with a qualified business investment must be held by the investor for at least five full calendar years following the calendar year for which the credit is allocated except in certain instances. If the holding period is not met, the unused credit amount will be forfeited, and an assessment will be issued for the amount used to which shall be added a 100% penalty plus interest, computed at the rate of one percent per month, compounded monthly from the date the tax credits were claimed. See the form and Virginia Tax Bulletin 00-5 (7-31-2000) for additional details.

Investors must apply by April 1, 2003, by filing **Form EDC**, Taxpayer Application for the Qualified Equity and Subordinated Debt Investments Tax Credit, with the Virginia Department of Taxation to claim the credit. All investors filing a timely **Form EDC** will be notified of the allowable credit by June 30, 2003.

Since the tax return of most individuals is due May 1, 2003, most investors will need to file an extension of time to file or amend their original return to claim the credit. See **Form QBA** and **Form EDC**, the applicable instructions, Virginia Tax Bulletin 00-5 and Regulation 23VAC10-110-225 for more information. Information on the application process is also available from the **Virginia Department of Taxation, P. O. Box 715, Richmond, Virginia 23218-0715, or call 804-786-2992**.

CREDIT FOR EMPLOYERS HIRING RECIPIENTS OF TEMPORARY ASSISTANCE TO NEEDY FAMILIES.

An income tax credit is available to qualifying employers hiring recipients of Temporary Assistance to Needy Families (TANF) equal to 5% of the annual salary of each qualified employee. The credit cannot exceed \$750 for each employee. This credit is nonrefundable, but excess credit may be carried forward for the next three years. Taxpayers claiming this credit must provide a statement provided by the Virginia Department of Social Services certifying the amount of credit allowable and the taxable year in which the credit was earned. For additional information concerning this credit, contact: **Department of Social Services, 730 E. Broad Street, Richmond, VA 23219-1849, 804-692-1701**.

LAND PRESERVATION TAX CREDIT

This tax credit is for taxpayers who convey land, or interest in land, located in Virginia to a public or private agency eligible to hold such land or interests therein for conservation or preservation purposes. The conveyance must be in perpetuity. The credit is 50% of the fair market value of the conveyance as set by a "qualified appraiser" not to exceed the lesser of income tax due or \$50,000 for taxable year 2000, \$75,000 for 2001 and \$100,000 for 2002 and beyond. Unused credit may be carried over for up to the next 5 taxable years following the taxable year in which the credit originated until fully used. If this credit is taken, the taxpayers shall not be allowed to take, for three years following the year the credit is taken, a subtraction for the gain on the sale of land or easements dedicated to open-space use.

To the extent not subtracted from federal adjusted gross income pursuant to Code of Virginia Section 58.1-322, a taxpayer may take a subtraction on any gain or income realized on the application of this tax credit against the taxpayer's Virginia income tax liability.

Any taxpayer holding a Preservation of Land tax credit may transfer unused but otherwise allowable credit to another taxpayer for use on their Virginia income tax returns. The transfer of this credit and its application against a tax liability shall not create a gain or loss for the transferor or the transferee of such credit. The transferor must, within 30 days of the transfer, submit a Form TCPL to the Department of Taxation. Transferees must attach a copy of this Form TCPL to their return if claiming this transferred credit.

V. OTHER CONSIDERATIONS FOR FIDUCIARIES

In addition to the filing of income tax returns, fiduciaries are generally responsible for seeing that all Virginia tax obligations of an estate or trust have been fulfilled. The information in this section provides details on the settlement of accounts and outlines other Virginia taxes for which an estate or trust may be held liable.

SETTLEMENT OF ACCOUNTS

In connection with the settlement of fiduciary accounts, special attention should be given to the provisions of Section 58.1-22 and Section 58.1-23 of the Code of Virginia, dealing with the collection of taxes and levies upon property under the control of the fiduciaries and the courts. The sections are set out below.

Section 58.1-22. Accounts not settled until taxes paid or provided for. — No commissioner of accounts shall, under Section 26-32, file any report of an account of the transactions of any fiduciary not governed by Section 58.1-911 until the commissioner finds that all taxes, whether state, or county or city, assessed and chargeable upon the property in the hands of the person for whom such account is settled have been paid or unless such account shall show that there remains in the hands of such person a sufficient sum, over and above the charges of administration, to pay all taxes charged against such person in his capacity as fiduciary.

Section 58.1-23. Inquiries required of fiduciaries. — Every personal representative, before settling the estate in his hands, shall make inquiry of the treasurer of the county or city wherein the decedent last resided and of the Department with respect to any unpaid taxes and levies assessed against his decedent.

Inquiries made to the Department of Taxation with respect to the provisions of Code Section 58.1-23 should be addressed to Customer Service, P.O. Box 1115, Richmond, VA 23218-1115.

PROBATE TAX (TAX ON WILLS AND ADMINISTRATIONS)

A state tax is imposed on the probate of wills and grants of administration not exempt by law. A probate tax return must be filed with the clerk

of the court at the time the will is offered for probate, or grant of administration is sought, if the estate exceeds \$10,000 in value at the date of death of the decedent. There is no probate tax on estates valued at \$10,000 or less. For estates exceeding \$10,000 in value, the tax is 10 cents per \$100, or fraction of \$100, including the first \$10,000. In addition, the county or city in which the will is offered for probate, or grant of administration is sought, may also impose a local probate tax equal to one-third of the state tax. **For further information on probate tax, contact the Clerk of the Circuit Court in the appropriate jurisdiction, or the Department of Taxation at 804-367-8031.**

ESTATE TAX

The Virginia estate tax is a transfer tax imposed if an estate is subject to the federal estate tax. The tax is imposed on the estates of resident decedents and the estates of nonresident decedents who owned real or tangible personal property in Virginia. Estates of alien decedents who owned real or tangible personal property in Virginia or intangible personal property physically present in Virginia are also subject to the tax. The tax is based on the federal credit for state death taxes from the federal estate tax return, Form 706. The Virginia return, if required, must be filed on Virginia Form EST-80 within nine months from the decedent's date of death. If the estate is not required to file a federal estate tax return, no Virginia tax return is required.

For further information on the Virginia estate tax, call the Department of Taxation at 804-367-8031 or write to Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115.

Unified Filing: Fiduciaries may request to file, on behalf of nonresident beneficiaries or participants, a unified return thereby relieving these persons or entities of the responsibility of filing a Virginia nonresident income tax return. There are certain conditions that must be met in order to be granted approval for filing the unified return. For further information call Customer Service at **804-367-8031**.

CONSUMER'S USE TAX

The Virginia consumer's use tax is the "other half" of the Virginia Sales and Use Tax Act, enacted by the 1966 Virginia General Assembly. Usually, you owe this tax if you purchased merchandise and did not pay sales tax. Typically, this happens when you shop by mail, internet, telephone or television from businesses that do not charge Virginia sales and use tax or when you purchase items tax-free while outside Virginia. The consumer's use tax is 4½% of what you paid for the item ("cost price"). "Cost price" does not include separately stated shipping or delivery charges, but it does include a "shipping and handling" charge if listed as a combined item on the sales invoice. If the total amount of purchases was from out-of-state mail order catalog(s) only, and \$100 or less for the entire year, you do not have to pay the use tax. If the purchases were from out-of-state mail order catalog(s) and exceed \$100 or any amount from other sources, then you must report this and pay consumer's use tax on the TOTAL amount of untaxed purchases from all sources during the calendar year. Magazine and newspaper subscriptions, prescription drugs and proprietary medicines purchased for the cure, mitigation, treatment or prevention of disease in human beings are exempt from consumer use tax.

If an estate or trust that is not engaged in a trade or business is not charged sales tax on purchases of tangible personal property (other than for resale), it must file a Virginia Consumer's Use Tax Return For Individuals, Form CU-7. Form CU-7 and the tax are due the same day as the income tax return. If filing a tax due 770 return, do not send a single payment to cover both the fiduciary return liability and the consumer's use tax liability. The CU-7 return must be filed separately. If engaged in a trade or business, file a Virginia Consumer's Use Tax Return, Form ST-7. Form ST-7 and the tax are due by the 20th day of the month following the month in which the purchase was made. For further information on the consumer's use tax, contact the **Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115 or 804-367-8037**.

LITTER TAX

Litter tax is reported on a separate return, Form 200. This tax is imposed on every "person," who on January 1, was engaged in business as a manufacturer, wholesaler, distributor or retailer of the following products: food for human or pet consumption; groceries; cigarettes and tobacco products; soft drinks and carbonated waters; beer and malt beverages; wine; newspapers and magazines; paper products and household paper; glass and metal containers; plastic or fiber containers made of synthetic materials; cleaning agents and toiletries; nondrug drugstore sundry products; distilled spirits; and motor vehicle parts. "Person" means any natural person, corporation, partnership, administrator, fiduciary representative or group of individuals or entities of any kind operating such a business.

Litter tax is computed and filed on a calendar year basis for all filers, regardless of the taxable year used for income tax purposes. The

return, Form 200, and payment of the tax are due on May 1 of each year for the preceeding year. Once an initial return is filed, preprinted forms will be mailed automatically for subsequent years. **For further information on litter tax, contact the Department of Taxation at 804-367-8046. Obtain Form 200 from the Department of Taxation Forms Request Unit, P.O. Box 1317, Richmond, VA 23218-1317. Telephone: 804-236-2760 or 804-236-2761.**

**TREATMENT OF BONUS DEPRECIATION UNDER
FIXED DATE CONFORMITY**

----- IMPORTANT CHANGE FOR 2002 -----

If depreciation was included in the computation of your Federal Adjusted Gross Income and one or more of the depreciable assets received the special 30% bonus depreciation deduction for federal purposes in either 2001 or 2002, then depreciation must be recomputed for Virginia purposes as if such assets did not receive the special 30% bonus depreciation deduction for federal purposes in either 2001 or 2002. If the total 2002 Virginia depreciation is less than 2002 federal depreciation, then the difference must be recognized as an addition on the Fixed Date Conformity Worksheet. If the total 2002 Virginia depreciation is more than 2002 federal depreciation, then the difference must be recognized as a subtraction on the Fixed Date Conformity Worksheet. For more information see Virginia Tax Bulletin 02-3 at www.tax.state.va.us or call Customer Service at 804 367-8031.

If an asset was disposed of in 2002 and such asset received the special 30% bonus depreciation deduction for federal purposes in either 2001 or 2002 and a gain or loss was recognized for federal purposes, then the gain or loss must be recomputed as if such asset did not receive the special 30% bonus depreciation deduction for federal purposes in either 2001 or 2002. The appropriate adjustment should be combined with all other adjustments made for the bonus depreciation and reflected on either Bonus Depreciation Additions (below) or Bonus Depreciation Subtractions (page 8).

SCHEDULE 3 - MODIFICATIONS

PART I - ADDITIONS TO FEDERAL TAXABLE INCOME

Line 1. Interest on obligations of other states. Enter the amount of interest, less related expenses to the extent not deducted in determining federal taxable income, on obligations of any state other than Virginia, or of a political subdivision of any such state unless created by compact or agreement to which this state is a party.

If the estate or trust received federally exempt *dividend* income from a regulated investment company (mutual fund) that invested in obligations both taxable and exempt for Virginia purposes, the entire income must be reported unless a statement from the fund is attached that:

- details the dividends earned from the fund; and
- summarizes the prorations between exempt and taxable dividends (monthly breakdown preferred).

EXAMPLE: A trust receives dividends from a mutual fund that invests in obligations of Virginia and New York. The interest received from all of the obligations is exempt from federal taxation. The fund provides the following statement:

Dividend payments for 2002	\$4,000
% of income from NY obligations	60%
% of income from VA obligations	40%

Based on this information, the trust may exclude 40% or \$1600 of the income from Virginia taxable income. Therefore, the trust would make an addition for only part of its mutual fund income, \$2,400, and attach the above statement to support the partial addition.

Line 2. Income taxes of this state or any other taxing jurisdiction. Enter the amount of income tax imposed by this state or any other taxing jurisdiction to the extent such taxes were deducted in computing federal taxable income.

For other trusts, only a \$100 personal exemption was allowed.
